Dear Mr. Niles,

This letter is in regards to the Terri Emberling Living Trust property c/o Dennis Emberling located in Jefferson County. One of their parcels, schedule number **049906**, was added to their Forest Agriculture forest management plan this year and was left off the recommended list by mistake. Please include this parcel for Forest Agriculture status for the 2010 tax year. Sorry for any inconvenience.

If you have any questions about this letter, please do not hesitate to contact me.

Thank you,

Dear Mr. Emberling,

I am pleased to inform you that the Colorado State Forest Service has **recommended** your property in Jefferson County, schedule number(s) **049786, 049922** for forest agricultural classification for tax year 2010. Please check those schedule numbers against your records and verify that they are correct. If they are incorrect, please let me know immediately.

Your county assessor will typically notify you of your property valuation in May.

The enrollment of your property demonstrates your commitment to enhancing forest resource productivity—a commitment which benefits both you and the people of Colorado.

Please feel free to contact me if you have any questions regarding your forest management plan implementation or the Forest Agricultural Tax Classification program.

Sincerely,

**2010 FOREST AG ACCOMPLISHMENT RECORD**

**DUE BY OCTOBER 1**

Record of activities that have been completed in 2010 (this year) for Tax Year 2011

Each participating landowner will annually list management activities accomplished and wood products produced. This will assist your inspecting forester, and also act as your record of compliance, assuring consistency with the implementation priorities and schedule in the approved forest management plan. AWP merit will be determined according to how accurately it implements the approved management plan recommendations. Demonstration of profit is recommended. Attach additional sheets if necessary. Include copies of receipts. The headings below provide you with the different areas to report. Please use a narrative format if you wish, including these criteria as appropriate.
